I would like to give special thanks to the many that have made this project possible.

First of all to my kind heavenly Father who called me into His wonderful service, and Has repeatedly given me tasks to perform that have been far beyond my ability to accomplish, yet He has accomplished them in and thru me. Praises, honor, and blessing to you, my God, Creator, King, Savior, and Friend. Thank you.

Next to my precious family, who willingly sacrificed their time with me in order for me to get this project accomplished. Thank you so much for your prayers, support, encouragement, patience, and love. Our loving heavenly Father knows of your sacrifice, and I can say with confidence that one day He will return upon you a blessing far beyond your wildest imagination. Thank you.

I also want to thank my senior pastor Charles Ferguson, who encouraged me to follow my dream and put this together. Thank you for the confidence you showed in me, and for your many prayers. I do so enjoy working with such a Godly man. Thank you again.

To Sharon Garver my awesome secretary for holding down the fort while I was focused on putting this together, and who went above and beyond the call of duty (as usual) to guard my time. Sharon you are priceless. Thank you again for very much.

To my wonderful Hendersonville Church family, my precious Youth group, and my many caring friends. What can I say? What a joy it is to serve you all. Thank you all for your patience as I have been in “hiding” while working on this project. Thank you for your many prayers, and friendship. Thank you all.

Lastly I want to thank the many men and women whose shoulders I have stood upon in putting these studies together. Their many works were my resources that made this project a success. They are listed in no particular order.
